EXECUTIVE SUMMARY

American Veteran Ventures, LLC is a Service-Disabled Veteran-Owned Small Business delivering security systems integration, enterprise risk management, and investigative services across federal and commercial sectors. Our leadership team brings over 60 years of combined security and loss prevention experience, including C-suite oversight of \$1B+ retail operations, ESRM program development, multi-site asset protection strategy, and federal government contract consulting.

We hold Certified Forensic Interviewer credentials and maintain strategic partnerships with Certified Fraud Examiners and pharmaceutical compliance specialists to extend our bench depth across specialized requirements. AVV operates as a lean, senior-led firm supported by a vetted network of credentialed specialists, ensuring the right expertise is matched to each contract.

CORE SERVICES

Security Systems Integration

Design, installation, and maintenance of access control, CCTV/IP surveillance, intrusion detection, and alarm monitoring systems for federal facilities and commercial properties.

Investigations & Forensic Interviewing

CFI-credentialed field investigations, forensic statement analysis (LSI Scan), Wicklander-Zulawski interview methodology, and case management for internal theft, fraud, and compliance violations.

Guard & Patrol Services

Uniformed and plainclothes security personnel for government installations, retail environments, and critical infrastructure. Program design, staffing, and quality oversight.

Enterprise Risk Management

ESRM program development, threat and vulnerability assessments, business continuity planning, and loss prevention strategy for multi-site operations.

Management Consulting

Strategic advisory for organizational resilience, P&L management, operational efficiency, logistics and physical distribution, and supply chain integrity.

Compliance Programs

Regulatory compliance frameworks, forensic auditing, shrink reduction programs, and inventory control systems. Access to pharmaceutical compliance and DEA regulatory specialists through partner network.

DIFFERENTIATORS

SDVOSB Set-Aside Eligible

Eligible for sole-source awards up to \$7M (services) and set-aside competitions across DoD, VA, DHS, and civilian agencies.

Senior-Led Delivery

Every engagement is led by principals with 60+ years of combined operational experience. You get the people you meet in the proposal.

Scalable Specialist Network

CFIs, CFEs, pharmaceutical compliance specialists, and physical security engineers available through strategic partnerships. Right-sized teams for any task order.

Federal Contract Ready

Active SAM registration, CAGE code, full NAICS coverage, and leadership with direct federal operations experience across DoD environments.
